WHAT RISKS ARE COVERED?

Mobile Electronic Equipment Protection

Whether it is a laptop, mobile phone, or tablet, you are covered if it is stolen from your home, car, or by force. The insurance covers the cost of a similar* replacement device and accidental screen damage.

Financial Security

If your card is lost or stolen, you can get back money spent without your permission*.

Cash Theft with Assault

This can happen on the street or after withdrawing money from an ATM. No worries, we will compensate you promptly*.

Document Protection

If you lose your documents or they are stolen, it is not the documents themselves that are valuable, but the cost of replacing them. Insurance covers these expenses*.

Key Protection

You may lose your keys or have them stolen. We cover emergency opening costs* and replacement of locking systems.

Wallet Protection

If your wallet is stolen following burglary, vehicle break-in, or robbery, the insurance reimburses its replacement cost*.

*Detailed information about this product can be found in the Insurance Terms and Conditions document, available at any BRD branch.

The language of the insurance contract is Romanian.

COVERAGE LIMITATIONS

Losses cannot be reimbursed in case of:

- War, armed conflicts, national unrest, military or police intervention, or official measures related to such events;
- Riots or strikes;
- Acts of terrorism or other violent acts motivated by political, social, ideological, or religious factors;
- Atomic nucleus disintegration or ionizing radiation;
- Damage occurring within the first 10 days from the insurance effective date.

SITUATIONS IN WHICH YOU WILL NOT BE COMPENSATED

In addition, for mobile electronic equipment, the insurer does not provide compensation in the following cases:

- The device is missing but there is no proof it was stolen;
- Theft or assault done by a family member or someone close to you;
- Other additional costs;
- Theft of a mobile electronic device when it has been negligently or deliberately left in a public place, or simple theft;
- Theft of a mobile electronic device after it was given to another person;
- Loss, damage, or additional costs resulting from incorrect use of phone or internet services;
- Loss of data, images, logos, wallpapers, recordings, or downloaded content resulting from burglary theft (from a vehicle or home) or robbery of the mobile electronic device;
- Any professional or personal loss resulting from theft by burglary (from a vehicle or home) or robbery of the mobile electronic device.
